

Saturday Eve. Dec. 5th

Mrs. Chapman:

The accompanying proofs
close all matter in our hands. As near
as we can calculate, there is room for about
4 pages more. Please decide whether you
will ^{improve} this space. I will call in the morn-
ing (about 8 o'clock) for your proofs, ~~then~~
at which time you can direct as to the
extra space

Yours truly

W. S. Orlum
